SUBJECT: International Energy Security Group Meeting  
August 2, 1984

The new Executive Director of the International Energy Agency, Helga Steeg, will visit Washington August 1 - 3. Her visit presents an excellent opportunity for the members of the IESG to meet her and hear her thoughts on the IEA and its work program. Accordingly, the Group will convene at 3:30 p.m. on Thursday, August 2, in Room 1107 of the State Department. Under Secretary Wallis will chair the meeting, which will feature a briefing on the Iran-Iraq war and Persian Gulf developments. Afterwards, coffee will be served and participants will be able to speak informally with Frau Steeg.

Given the special nature of the meeting, we request that IESG standing members themselves attend (see attached list), and that participation be limited to the standing member and one other.

Please provide Under Secretary Wallis' office (David Sloan 632-7448) with the name(s) of your agency's attendees.
